

BioSenic provides an update on the preparation of the annual accounts and annual report for the financial year ending on 31 December 2024

BioSenic announces delay on the preparation of the annual accounts and annual report for the financial year ending on 31 December 2024

Saintes, Belgium, 29 August 2025, 6 PM – [BioSenic](#) (Euronext Brussels and Paris: BIOS) announces that, due to the unavailability of the annual accounts for the financial year ending 31 December 2024 of its subsidiary Medsenic SAS, currently in liquidation, BioSenic will finalize and close its own annual accounts and annual board report for the financial year ending 31 December 2024 on the basis of Medsenic's adjusted accounts dated 30 June 2024.

Discussions are active with the company's statutory auditor to close the consolidated annual accounts for the financial year ending on 31 December 2024 with a view on publishing the 2024 full year results and submitting the consolidated annual accounts and annual report to the ordinary general meeting for approval.

In light of the above, the publication of the full year results and the 2024 annual report is postponed to 29 September 2025 and the ordinary general meeting to 30 October 2025. The financial calendar on the company's website will be adapted in consequence. BioSenic can however not exclude to postpone further if circumstances oblige.

Biosenic remains committed to open communication with its investors and other stakeholders and will provide timely updates on any material developments.

About BioSenic

BioSenic is a biotechnology company with long-standing scientific and clinical legacy in orthopedics and regenerative therapies specialising in the clinical development of therapies in bone and cartilage repair.

BioSenic still owns some interests in its clinical assets ALLOB and JTA but is now focussing on a joint development with 4Moving Biotech on a GLP-1-based, disease-modifying therapy for veterinary use, specifically in post-ligament surgery recovery in dogs. Biosenic is also focusing on other new potential partnerships.

BioSenic is based in Avenue Léon Champagne 3, 1480 Saintes (Tubize), Belgium. Further information is available at <http://www.biosenic.com>.
